Sacramento Report

By CHARLES CHAPEL

Assemblyman, 46th District

BILL TO OUTLAW COMMUNIST PARTY

On May 12, between the hours of 3 and 6 p.m., the Assembly Committee on Elections and Reapportionment will hold hearings in the State Capitol on my Assembly Bill No. 52 to outlaw the Communist Party in California. The chairman of the committee, Assemblyman Charles Conrad, tells me that various organizations opposed to the bill will appear and attempt to defeat it, including the American Society of Friends, commonly known as Quakers, and also members of the American Civil Liberties Union.

PATRIOTS INVITED

Members of the Sons of the American Revolution, Daughters of the American Revolution, American Legion, Veterans of Foreign Wars of the United States, the Spanish-American War Veterans, the United Daughters of the Confederacy, the Native Daughters of the Golden West and other patriotic bodies are invited to attend the hearing and testify for the bill.

LETTER-WRITING CAMPAIGN ORGANIZED

People favoring this anti-communist bill are urging their friends and relatives to join a letter-writing campaign. It is not necessary to write to me, because I am the author of the bill, but it is important for each person to write to his own assemblyman and to his own State senator, asking him to vote, YES on Assembly Bill No. 52.

COMMUNIST PARTY OPPOSED BY DEFINITION

Here is the language of the bill: "Notwithstanding any other provisions of this code, no party shall be organized or qualified to participate in any primary election which either directly or indirectly carries on, advocates, teaches, justifies, aids, or abets the overthrow by any unlawful means of, or which directly or indirectly carries on, advocates, teaches, justifies, aids or abets a program of sabotage, force and violence, sedition or treason against, the Government of the United States or of this State.

DISQUALIFICATION OF COMMUNIST PARTY

"The Secretary of State shall, with the advice and consent of the Attorney General, determine which parties are disqualified to participate in any primary election under Section 2540.4. The order of disqualification shall be made after notice and hearing. In case it is proposed to disqualify a party which was qualified to participate in the next preceding direct primary, notice of the time and place of hearing shall be mailed to the chairman of the state central committee and the chairman of each county central committee of the party as shown by the records of the Secretary of State.

AMPLE NOTICE

"In case it is proposed to disqualify a party qualifying by petition notice of the time and place of the hearing shall be mailed to the persons who presented the petition if the names and addresses of such persons are known to the Secretary of State. In any event, notice of the time and place of hearing shall be given in each county of the State by publication in a newspaper of general circulation printed and published in such county or if there is no news-
